Instructions for Presentation – Award Paper Study

1. The first slide of the powerpoint shall contain only the title and the full name of the presenter.

2. The powerpoint should not contain any identifiers like name of the faculty, name of the medical college and no other pointers like a tertiary care centre or an oncology centre in South, Central or North Kerala, etc. If any such identifiers are included in the powerpoint or mentioned in the presentation, then this will amount to disqualification.

3. Privacy of the patients should be protected. Appropriate permission from patients for use of their clinical images should be taken. Eyes should be blacked out. Maintaining privacy and dignity of patients is the responsibility of presenter.

4. Any conflicts of interest should be clearly mentioned.

5. The time allotted for presentation of Research study is 7minutes. A buzzer alarm will be rung at 1 minute before the time limit and a final alarm will be rung at end of time allotted.

6. If the presenter exceeds the time limit but concludes within another 1 minute, then 5 marks should be deducted from the total marks secured as a penalty. If the presenter exceeds 1 minute than the time limit, then the person will be disqualified.

7. Decision of judges will be final
